Quail Hollow Ranch Event

As part of MBMG's gardening series at Quail Hollow Ranch, Kathleen Navarez of Cabrillo College will be presenting a session on various methods of plant propagation. The session will be held on Sunday, May 23, from 1-3 in the main ranch house. Kathleen's presentations are always very informative & fun. Hope you can attend.

MBMG Class of 2010 Graduation

The 2010 class is winding down. We have a great class of enthusiastic and knowledgeable students. They will be a real asset to the Monterey Bay Master Gardener program. Many have already signed up for projects and should bring new and fresh ideas to the organization.

Graduation is set for June 5th at the UCCE Auditorium. Everyone is invited to come to our graduation and meet your new Master Gardeners. If you have any questions concerning the graduation, please contact Simon. And please RSVP if you plan to attend so that we can plan for you.
